IOM Workshops
Enhancing your use of the E-Learning IOM Platform

WORKSHOP DESCRIPTION

These workshops will offer participants the chance to get a more detailed understanding of the E-Learning IOM Platform (ELP) so that IOM Hubs locally can begin to make full use of its potential to support learning and staff development.

The learning outcomes will enable you to:

- *become more confident using the ELP*
- *gain knowledge of the site content*
- *gain knowledge of how to construct PDF booklets based on training needs*
- *develop ideas and structures on how to train others to use ELP*

WHO SHOULD ATTEND

The workshops are focused on those strategic and operational managers and practitioners working in IOM who have an interest in and some responsibility for staff development and training. We encourage attendees from all relevant agencies.

'ELP is here

This is an exciting opportunity to be at the forefront of learning and development in Integrated Offender Management across England and Wales. Workshops are offered at a range of venues across the country but you can choose whichever workshop best suits your schedules. It is important that those attending the workshop are familiar with the IOM E-Learning Platform and are registered with the site: http://www.cjp.org.uk/iom-elearning.
